6PM GENERAL ADMISSION | 5-6PM VIP EXPERIENCE
SAINT JOHN'S RESORT

Living  Learning
Enrichment Center

Dear Friends and Supporters,

As we prepare for our 6th annual Hopes & Dreams Gala, I am filled with deep gratitude for what we have built together and inspired by what lies ahead.

This past year was one of growth and momentum for Living and Learning Enrichment Center. We served individuals and families from 91 cities across 10 counties, reinforcing our role as a regional anchor for inclusive disability services in Southeast Michigan. Each month, an average of 400 program seats were filled, reflecting both sustained demand and the trust families place in our work.

Our workforce development programs continued to expand, supporting 210 vocational members and achieving 58 job placements to date, putting us on pace for 100 placements this year across dozens of industries. We also saw the exciting launch of a corporate focus in our job development and placement efforts, ensuring access and opportunity for an even wider spectrum of abilities.

We strengthened capacity by adding new job coaches and deepening employer partnerships, and our support does not end on a member's first day, we continue to work alongside members after placement for as long as they need it. Parents and caregivers consistently describe Living and Learning as the "gold standard" in disability services, citing our staff, wraparound supports, and person-centered approach as truly life changing.

On campus, this was a year of expansion in every sense of the word. We remodeled the Carriage House, Guest House, and Art Studio to create more space for services, and launched a new Member Advisory Board that gives members a formal voice in shaping the programs that serve them. Members are building independence through real work: cooking meals for themselves and for large groups, running a twice-weekly Coffee Cart, staffing a Farmstand open to the public, and growing our Bloom Garden, which begins offering subscriptions this year. Across programs, our data and evaluation efforts documented powerful outcomes: increased independence, confidence, purpose, social connection, and emotional well-being for participants, and essential respite and peace of mind for families.

Last year's gala was truly electric, welcoming over 660 guests and sponsors to Saint John's Resort, and we are thrilled to return there for another unforgettable evening.

Your partnership makes every breakthrough possible. Whether through sponsorship, auction participation, or advocacy, your support directly fuels opportunity, belonging, and independence for individuals with disabilities.

Together, we are not just imagining a more inclusive future, we are building it.

With heartfelt appreciation,

Rachelle Vartanian
